IMAGINE IF

All Island youth had hope for a bright future

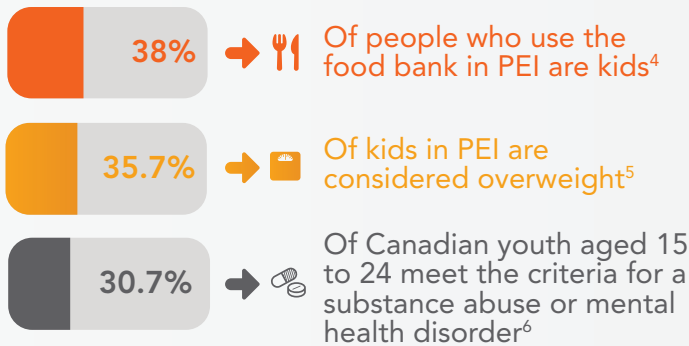

By supporting UWPEI, you are supporting positive change in PEI.

ALL THAT KIDS CAN BE

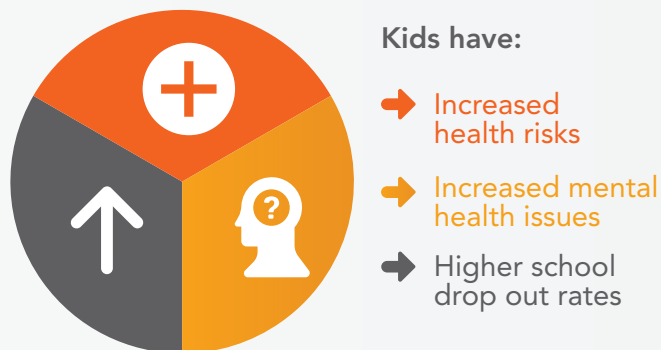

Our kids are the future of our Island communities.

To grow into happy, healthy independent adults, they need a little help along the way.

WHY IT MATTERS?

WITHOUT PROPER SUPPORT

HOW WE HELP

Engage community partners, parents, and children in promoting healthy eating and physical activity

Invest in programs that help build self-esteem and life skills

Help build strong peer relationships and introduce positive adult role models

Invest in programs that support school readiness and provide mentorship and leadership opportunities

THE IMPACT WE WANT CHILDREN AND YOUTH TO:

**TOGETHER,
WE CAN HELP ISLAND
KIDS BE ALL THEY CAN BE.**

United Way of PEI knows it's possible, because together, we are possibility.
